LifeLine Specialty Pharmacy now supports **Qsymia** patients with commercial coverage across the entire prescription fulfillment process.* After submitting a **Qsymia** prescription to LifeLine Specialty Pharmacy, they will contact the patient directly and guide them step-by-step through the process. This includes:

- Assisting them with **benefits investigation** and **insurance verification**.
- **Shipping** of your patient's medication.
- **Access to a smartphone app** to place orders and receive refill reminders as well as a patient support website.
- After benefits verification, if Qsymia is not covered, the cash price is \$98 across all doses and product packs. Note: \$98 pricing includes 6-week New Patient Packs, 6-week Titration Packs and all 30-day prescriptions — additional shipping and handling costs will apply.

*Please note that LifeLine Specialty Pharmacy is **NOT AVAILABLE** to patients in Puerto Rico, Guam or the U.S. Virgin Islands. Prescriptions can be sent to LifeLine Specialty Pharmacy using one of the following options:
