\*\$98 pricing includes 6-week New Patient Packs, 6-week Titration Packs and all 30-day prescriptions. Additional shipping and handling costs will apply. This is a cash only program — insurance claims will not be processed. 90-day prescriptions are not permitted in all states. \$80 is the average retail pharmacy price for a 30-day Rx for patients covered by commercial insurance after covering \$70 copay. Source: McKesson Specialty Health - November 2024. Pharmacy fees may vary by location. Patients with commercial insurance coverage are eligible to receive \$65 off 3.75 mg/23 mg dose quantities of 14-15 days and all other doses with quantities of 28-30 days. Patients paying cash or if Qsymia is not covered by commercial insurance, can receive \$70 off 3.75 mg/23 mg dose quantities of 14-15 days and \$75 off all other doses with quantities of 28-30 days. Please note that quantity claims of 16-27 days are not eligible for the Qsymia Savings Card.
